Although the LDTAC generally strives to follow the agenda as scheduled, it reserves the right to take any agenda item, in any order, and at any time after its meeting starts. The only way to ensure that you are present for a particular agenda item is to attend the meeting from the time it starts until that agenda item is actually taken up.**

**WHAT IS THE LAND DEVELOPMENT TECHNICAL ADVISORY COMMITTEE?**

The Mono County Land Development Technical Advisory Committee consists of representatives from Public Works, Community Development and Environmental Health. The LDTAC provides technical review and recommendations on land development projects. Its purposes include facilitating coordination among county departments, promoting efficient and timely permit processing, providing the public an early opportunity to participate in project review, and providing applicants an inexpensive forum to learn of county requirements early in the development review process.
